

!!!R

Qanbar, Akbar, Asghar, Safdar, Haider and Nozar sit around a table in order. Starting from Qanbar, we start counting in order. (Qanbar becomes 1, Akbar 2 and...) and we continue this counting until infinity. We give soda to person n. You take n and say who will get the soda.

Input

Take an integer in the input.

Output

Print the recipient's personal number in the output. (count only)

Sample input 1

11

Sample output 1
